Challenger 4030 Heavy-Duty Four-Post Lift

30K Heavy-Duty 4-Post Lift General Service /
Alignment

30,000 LBS. CAPACITY

Contact for Pricing

Our 30,000 lb. capacity 4-post 4030 series lift strongly emphasizes safety and durability. Integrating our time-proven cable-driven lift system, featuring heavy-duty steel sheaves and cables ensures optimal performance and long-term reliability. Including a single-point air-actuated lock release makes operating these lifts simple and hassle-free.

30,000 lbs.

CAPACITY

71.75"
