OVERVIEW

Imagine increasing your customer base by accommodating a more comprehensive array of vehicles. From compact passenger cars to medium-duty trucks and even medium-sized vans, our lift's 26" wide runways are engineered to handle them efficiently. This versatility allows you to cater to a broader clientele, boosting your revenue potential.

FEATURES

- All-new and wider 26" runways
- Improved 4-wheel alignment wheelbase for extended alignment capabilities allowing you to service both long and short wheelbase vehicles
- 17 locking positions with improved lock design
- Open and closed front design for better ergonomics, allowing easy access to adjustment points on both standard or long length runway racks
- Compatible with the industry's latest imaging alignment systems
