18K Heavy-Duty 4-Post Lift General Service /
Alignment

18,000 LBS. CAPACITY

Contact for Pricing

Challenger's 44018 4-post car lift boasts an impressive 18,000 lb. lift capacity, perfect for the toughest challenges in your automotive shop. With a maximum wheelbase range of 194" to 236", this lift can easily accommodate a variety of medium-sized transit vehicles. With single-point air-actuated lock release, disengaging column locks is a breeze, particularly with our alignment model.
